

RealTimeRental & Travel Guard – Your Winning Team!

Everyone wants to be part of a winning team. When you choose RealTimeRental, you can be.

RealTimeRental is a leading web-based property management system, offering the most reliable, secure, and robust vacation rental management platform and online services available today. **Travel Guard** is a trusted provider of travel insurance and 24-hour travel assistance service plans for millions of travelers every year. Together, our clients enjoy a full suite of web-based rental software solutions integrated seamlessly with dependable, and comprehensive travel insurance protection plans, all at a fraction of the cost of other systems.

RealTimeRental provides an “all in one” vacation and residential solution that helps you optimize your business with:

- A web-based rental and property management system for safe, secure access anywhere, anytime.
- One-on-one training, so your team can get busy quickly.
- Integrated Trust Accounting with automated features for no guess-work bookkeeping. NCREC approved!
- Consultation services to help you launch a new website, learn SEO strategy, and more.
- Direct access to distribution networks such as HomeAway & FlipKey and more.
- Online pricing and real time availability display on your website.
- Innovative one click booking feature.
- A fully scalable solution that works for clients of any size.

Clients of RealTimeRental with Travel Guard get the best of today's property management systems combined with Vacation Rental Insurance protection plans you can rely on.

Join over 200 vacation rental companies across the country and be part of a winning team with RealTimeRental and Travel Guard.
